## BONUS PROGRAM

Get up to \$100 for Referring New Merchants and Businesses to XYZ PAYMENT SERVICE

### What is the Bonus Program?

The Bonus Program is designed to reward our trusted merchants and developers for bringing new businesses to XYZ PAYMENT SERVICE. All you need to do is have someone sign up for a Business or Premier XYZ account. Your referral bonus is tied to the amount the merchant you referred receives using XYZ's Website Payment Tools:

1. Get \$10 after the referred merchant uses XYZ's Website Payment Tools to receive \$1,000 in sales.
2. After the first \$1,000 of sales, you'll receive a percentage of the new merchant's revenue - **up to \$100** - for the first 6 months that the merchant has his XYZ account

### How can I start earning my Bonuses?

Use one of the methods listed below to start referring merchants:

#### 1. Use your personalized referral link

Include the link below when you send out emails. You'll be eligible for a referral bonus anytime someone signs up for a XYZ account using this link:

<https://www.XYZ.com/mrb/RAI=ABCD&BPC=1234>

#### 2. Send a Referral email

The easiest way to collect referral bonuses is to send a short Referral Email to merchants you know and include your referral link. To get your own referral email, [click here](#), or click on the button below to have XYZ PAYMENT SERVICE send a sample referral email to your Primary email address.
